South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

Greenbrier Elementary School is helping all students develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate by supporting the Whole Child and providing an environment where students feel safe, supported, and challenged. Our mission to develop confident lifelong learners is enhanced by engaging students as active participants in their learning, celebrating individual differences, and supporting students so they may reach their highest potential. The staff at Greenbrier Elementary is comprised of knowledgeable, caring, and passionate educators, who focus on instructional practices that create optimal learning experiences. The academic curriculum is both meaningful and challenging for all students. The school staff accommodates the diverse skills, interests, and learning needs of our students. With ongoing staff development, which includes strategies for differentiating instruction and the use of common formative assessments, teachers strive to meet the learning needs of their students. Greenbrier makes it a high priority to help students form caring relationships. By learning how to actively Take Time to Be Kind (TTTBK), students gain an appreciation for others. With support systems in place such as bullying workshops and trainings, students and faculty gain a sense of respect for themselves and others. The emphasis on TTTBK allows Greenbrier students to demonstrate kindness and develop a sense of community giving. The partnership between Greenbrier and the community is held in high regard. Through gifts of time and donations, our business/community partners enable us to host events throughout the year and have included Summer Family Reading Nights, where students select free books to support their summer reading. Through our Backpack Buddy program, we provide backpacks filled with food for our neediest students to eat on the weekends. Volunteers assist in the classroom with projects, chaperoning field trips, and reading to students. During Grandparents Day, grandparents were invited to enjoy a lunch with their grandchildren. On Veteran's Day, veterans were invited to an honorary breakfast. During Career Day, members of the community spent time talking with students about the importance of character traits in the workplace. The 2014-2015 school year has been extremely successful, and we look forward to opportunities that lie ahead for our students and our school. For information about our school, please contact Mrs. Amanda Moreno, our SIC Chairwoman or our principal, Mrs. Nicky Andrews.

* 21st Century core courses in Social Sciences include History, Geography, Economics, Government and Civics.
